

**Please note:** The information displayed in this calendar is based on seasonality information obtained from the re:fresh Directory:2012. Please be aware that we're always at the mercy of Mother Nature, seasons can shift year-to-year and availability may fluctuate. Please also note that we work hard throughout the year to source the right products for our customers and sometimes this might be a foreign product sourced during the British season. Finally, this list is a snapshot of the products we supply; if there's a product you're after but you can't see it on the list, give your account manager a call.
